EARTHLY SEEDS TO HEAVENLY BLOSSOMS

"If the Hour starts to happen and in the hand of one of you is a palm, shoot, or seedling; then if he's able to plant it before the Hour happens, then let him plant it".

- As-Silsilah as-Saheehah #9

As the world is crumbling, the sun is rising from the west, the mountains are turning to dust, and everyone will be worried about their well-being in the last hour of the universe. In those final moments, when no trees will ever have the opportunity to bear fruits, the Prophet Muhammad SAW encourages us to plant seeds regardless.

As Muslims living in America, it is our responsibility to build upon the path paved by the prophets to establish and nurture Islam in a context that spans multiple generations, no matter the measure, creating an environment where our descendants can live as strong Muslims not shaken by the ever-changing winds of society around us.

"Were you present when Jacob faced the hour of death, and he asked his sons, who will you worship after me? They answered We will worship your God and the God of your fathers, Abraham and Ishmael and Isaac: the one God; we have submitted ourselves to Him"

- Al-Baqarah 2:133

From the time of Adam (AS) to the era of the Prophets who followed and carried the Islamic teachings for generations, the thread of legacy has been woven into the fabric of history. Legacy encompasses all the thoughts, experiences, and lessons from the past, present, and future; the timeless pursuit of goodness and the foundational growth of instilling strong roots that will carry over to the next generation.

What will you pass on? How can you plant seeds that will impact generations to come?

OTHER ACCOMODATIONS

Additional Hotel Recommendations

Below is a list of other hotel options in Richardson! However, we highly recommend staying with the hotels we provide. For full transparency, there is a NCAA Cheerleading Championship happening this same weekend, resulting in a majority of the hotels to be booked. We blocked out these rooms for you all for convenience purposes, both with price and location. However, we understand that these hotels may not be for everyone and we have listed other locations. Below, you'll find a selection of hotels positioned along US 75 highway. The key benefit of being near US 75 is that it connects this location to Downtown, providing students with convenient access to popular attractions like the AT&T Discovery District. In addition to the below locations, we also recommend Airbnb and other home rental services.

FREQUENTLY ASKED QUESTIONS

Q: Do I register through my MSA or do I register myself?

- Registration is done individually. Some MSAs may have a form that you're required to fill out so that they can plan lodging & transportation; however, you must still register yourself with us in order to be considered fully registered for Showdown.

Q: I have an exam that weekend so I can't go. Can I leave Showdown early?

- Yes, you don't have to stay for the entire weekend! While we recommend staying for the entirety of Showdown to gain the full experience, we understand that everyone's circumstances are different. If you need to leave early, let your MSA President/Showdown Coordinator know.
 - If you're participating in a prejudged competition like Written Poetry or Short Film, and aren't able to physically attend Showdown, that's okay! You'll still need to register in order for your piece to be entered and judged in the competition.

Q: I can't come to Friday of Showdown. Is there a way I can still check-in and attend?

- Yes! email exec@msa-texas.org with any concerns and we'll try to figure out a way you can attend showdown.

Q: This is the first time our MSA is going to Showdown. Can someone help us keep track of what to do?

- Absolutely! Please check page 5 of this document for a list of all the documents and forms needed to be done before attending Showdown. Also, please reach out to us via email (exec@msa-texas.org) and our Community Directors will follow up with you.

Q: I have a lot of questions about Showdown. Who can I talk to?

- Email exec@msa-texas.org or on social media (@msalsc).

Q: My school doesn't have an MSA but I still want to compete/attend Showdown. Is this possible?

- ABSOLUTELY! On the registration form, be sure to specify your school under "Other". If your school doesn't have an MSA and you'd like to compete in something, contact exec@msa-texas.org, so that we can try to accommodate your request(s).

Q: How can my MSA afford hotel & transportation costs for our members?

- We recommend asking your university's student government for funding, doing fundraisers on campus (bake sales, profit shares, etc.), and asking for donations at the masjid. Additionally, LSC does provide MSAs with grant funding, with certain requirements in place.

Q: What is required for sports jerseys?

All jerseys must be the same color as their team. Numbers must be printed on the back. Names are not required but are encouraged. Jerseys do not need to be fancy or expensive; simple jerseys available at Academy or Walmart suffice. Additionally, jersey designs can be handmade, with the numbers printed on the back of each jersey in bold/fabric paint. Tape is not allowed.
